All the candidates are suggested follow latest Syllabus and New exam pattern for CGL 2017. Here we have paper analysis of CGL 2016 Tier 1 exam :

The question paper had four parts: Quantitative Aptitude (Maths), Reasoning

(general intelligence), English Language and General Knowledge (GK). Most of the students felt that exam was easy but the server for the online exam was slow leading to lots of time getting wasted in the questions being loaded to their computer.

“The English and the Maths sections are pretty doable. Candidates should attempt 18 to 20 questions. Most candidates attempt at least 20 questions. The same goes for the Reasoning section,” Here we have frequently asked questions related to SSC CGL Online Application form and Fee payment.
